SENSE *of* SCOTLAND

It's in our nature.

INSPIRED BY NATURE, **MADE IN SCOTLAND**

A sprig of heather, a breath of sea and rain, a pinch of seasoned wood and just a hint of honey. These elements combine allowing us to conjure vibrant, evocative scents that are uniquely Scottish, uniquely Arran.

Our unspoiled island home is our heart and our inspiration. To the south we have lowland, rolling hills laced with tranquil beaches and breath-taking views. To the north, the dramatic highlands are more rugged, the heather more windswept, but every bit as beautiful. The rich colour palette of these breathtaking landscapes and the diversity of its herbs, flowers and pure water fuel our creativity and passion for beautiful things, beautifully made.

MAKING OUR **PRODUCTS**

Beautiful things, beautifully made - we believe there's beauty in everything that matters. That's why we make sure that all our products are made with ingredients of the highest quality, prepared to the highest standards and produced with a very low impact on our natural environment.

Pure water from our island spring finds its way into everything we make. And so, as the sun, wind and rain touch the land, subtle changes in the local climate mean that every Arran product is slightly different, giving each its own distinct character. These natural gifts help us to create products that are as individual as you.
