# Knight Frank Pear Keyring

Knight Frank is the UK's leading independent real estate agency. They came to CLG looking to source luxury merchandise with the vision to gift them with each sale. We created a pear shaped keyring in their signature red brand colour, with the Knight Frank logo blind embossed. This gift represents a discreet reminder of their service and signifies as memorabilia for their customers purchase. 62 offices across the UK have received direct deliveries of their keyrings, ready to gift to their wonderful customers.

*"I have certainly really enjoyed working with CLG. The Knight Frank offices love the leather and finish of the keyrings."*
