

LETO

Elevate Your Guest Experience with Sustainable Luxury

LETO

LETO is a new luxury outdoor brand specializing in high-quality, long-lasting products that meet the elevated aesthetic standards of today's most discerning hotel guests. With a focus on timeless design and sustainable materials, we aim to redefine outdoor hospitality experiences. Our signature product, the inflatable Pool Chaise, is a versatile, durable, and stylish solution for enhancing guest comfort at the pool, beach, and beyond.

PRODUCT DETAILS

The Inflatable Pool Chaise

Our signature product, the inflatable Pool Chaise, is designed to deliver the ultimate guest relaxation experience, both in and out of the pool. Each chaise features a durable internal structure crafted from TPU (Thermoplastic Polyurethane), an eco-friendly alternative to PVC, ensuring longevity and sustainability. The chaise is finished with a removable, padded cover made of Olefin, an upcycled and highly durable outdoor fabric that resists stains, mold, and fading. For easy maintenance, the cover can be removed and washed, making it ideal for busy hospitality environments.

COLLECTION

Our collection features three classic colors to complement any hotel aesthetic. For quick and efficient setup in hospitality settings, the floats can be inflated using an industrial-grade air compressor. We also offer an optional high-capacity electric pump, providing a convenient solution for smaller-scale setups or individual use.
